SANDS' SARSAPARILLA,

FOR THE REMOVAL AND PERMANENT CURE OF ALL DISEASES ARISING FROM AN IMPURE STATE OF THE BLOOD, or habit of the system, viz:—

Scrofula, or King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples, or Pustules on the Face, Blotches, Biles, Chronic Sore Eyes, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stomach Ulcers, Syphilitic Symptoms, Sciacia, or Lumbago, and Diseases arising from an injudicious use of Mercury, Ascleos, or Dropsy, Exposure or Impudence in Life.—Also, Chronic Constitutional Disorders will be removed by this Preparation.

This valuable Medicine is now used and universally approved by the most distinguished of the Medical Profession throughout our country, and by its intrinsic medicinal value, the public generally (but the affected particularly) have been made acquainted with its efficacy, in the removal and cure of diseases having their origin, in an impure state of the blood. The Sarsaparilla is combined with other ingredients, all of which are held in the highest estimation by the most distinguished physicians.

As a mild aperient, antiseptic and tonic, it contains the three most useful properties of medicine. It purges, purifies and restores. Scrofula, Cancer, Leprosy, all Ulcers and Scrofulous Sores, all Diseases of the Skin, all internal disorders not organic, but springing from a diseased circulation, give way before its hygienic influence.

The following interesting case is presented, and the reader invited to its careful perusal. Comment on such evidence is unnecessary.

NEW YORK, April 22, 1846.

Messrs. A. B. & D. Sands: Gentlemen: Feeling it a duty due to you and to the community at large, I send you this certificate of the all-healing virtues of your Sarsaparilla, that others who are now suffering may have their confidence established and use your medicine without delay.

I was troubled with a severe ulcer on my ankle, which extended half way up to the knee, discharging a very offensive matter, itching, burning, and depriving me often of my rest at night, and very painful to bear.

I have delayed sending you this certificate for one year since the cure was effected, in order to ascertain with certainty whether it was a permanent cure, and it now gives me the greatest pleasure to add that I have neither seen nor felt the slightest reappearance of it, and that I am entirely well.

Yours very truly, SARAH MINTRE.

250 Delancy street, New York.

MOBILE, Ala. Nov. 28, 1845.

Messrs. SANDS:—I deem it an act of justice to myself and the community at large, to relate the following fact, which occurred in our neighborhood in the latter part of July last. Jane C—, a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which defied all the treatment of medical skill. As she was friend of our family I employed all the means in my power endeavoring to relieve her, but in vain. At last some person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. Mosses & Tucker, your Agents, in this city, which I gave to her. I called to see her the next day and she told me she had achieved such remarkable cures of the most difficult class of diseases to which the human frame is subject, therefore ask for Sands' Sarsaparilla, and take no other.

April 17, 31.

For further particulars and conclusive evidence of its superior value and efficacy, see pamphlets, which may be obtained of Agents gratis.

Prepared and sold wholesale and retail, by A. B. & D. SANDS, Wholesale, Druggists, 100 Fulton St. N. Y.

Sold also by Wm. Shaw, Wilmington; E. J. Hale, Fayetteville; J. H. H. Newberry, Newberry; Williams, Haywood & Co., Raleigh, N. C.; E. B. Rothman, Georgetown, S. C.; Hayland, Harris & Allen, Charleston, S. C.; and by Druggists generally throughout the United States. Price, \$1 per bottle; six bottles for \$5.

The public are respectfully requested to remember that it is Sands' Sarsaparilla that has and is constantly achieving such remarkable cures of the most difficult class of diseases to which the human frame is subject, therefore ask for Sands' Sarsaparilla, and take no other.

80 acres is under cultivation and well adapted

to raising Corn, Ground Peas, &c. The place

with Pine and Hoopoles, and has 10,000

Turpentine boxes, cut last and the present

The water power is ample, a bold stream passes

LINES TO A BEAUTY.

BY N. P. WILLIS.

She's beautiful! Her raven curls

Have broken hearts in envious girls;

And they sleep in contrast so,

Like cavea feathers upon snow,

And bathe her neck, and shade the bright

Dark eye from which they catch the light,
